

Air Dynamics - Manufacturer of the following Brands

Kitchen Sentry[®] CKV Scrubber Hood
Desert Wind[™] Simulated Environment Chamber
Air Wolf[™] DownDraft Tables
LRS[™] Commercial Lint Collectors
Flame Arrest[™] Flame Front Diverter
PLECO[™] Portable Vacuum System

INVESTMENT GRADE ENERGY AUDITS:

Air Movers, HVAC, Process Cooling & Heating, Lighting

TURN-KEY AIR POLLUTION CONTROL SYSTEMS:

Design, Engineering, Installation, Optimization
*Certified by the American Conference of Governmental
Industrial Hygienists in Industrial Ventilation Systems Design*

TURN-KEY INDUSTRIAL VACUUM SYSTEMS:

Single User to Multi User Central Systems

TURN-KEY PNEUMATIC CONVEYING SYSTEMS:

Chemicals, Food, Pharmaceuticals

AIR & FLUID SYSTEMS DESIGN:

Aerospace, Commercial, Industrial, Medical, Defense

ENGINEERING, 3D CADD DESIGN & DRAFTING:

Offering innovations in Concept, Sustainable Design, Digital Prototyping, Manufacture and
Turn-key Installation for Complex Industrial Air and Material Moving Systems

RESEARCH AND DEVELOPMENT (R&D):

3 Dimensional Modeling, Full Spectrum Flow & Thermal Simulation
General Motion & Turbo Machinery Simulation, Flow-Driven, Motion-Driven
Performance Characteristics for Mechanical and Electronics Products Designs
